Polkadot Council passed Motion 158

"Polkadot Council passed Motion 158, scheduling the parachain auctions for the rest of the year. There will be 7 auctions per lease period [LP]. The first 2 auction winners in a batch will be onboard immediately, and the last 5 onboard in the next LP. Parachain teams that want the full eight lease periods can bid in the third to seventh auctions, but teams that want to be onboarded immediately can bid in the first two auctions in a batch."
